

## **Kathy Ann's Farm LGD Puppy Application**

Please fill out this application to the best of your ability. We have this application to help us find the best fit for our puppies and to help you find a puppy that best suits your needs. The majority of our puppies go to working homes, however there may be some in a litter that are more suited to being a companion dog. We make no promises about the availability of companion puppies. All puppies will come with a contract and health guarantee. Waitlisting is available. This application does not guarantee that you will get a puppy, and we reserve the right to refuse anyone for any reason.
